West Slope Unity Group of Alcoholics Anonymous District 22 has put together a Unity Event for the Western Slope and surrounding areas. Since there are no dues or fees for AA membership, you may wonder why you have to pay to attend this campout. An AA campout is a special event and not an AA meeting. The campout includes AA meetings for the benefit of those attending. Unlike regular meetings, this campout is costly and requires months of preparation. Registration fees cover some of the expenses for items such as rental of the facility, meals, printing, and supplies. NO dogs and NO boats.
